

CPF SUMMER CAMPS 2008

Bonjour!

Thank you for your interest in this year's *Canadian Parents for French* (CPF) summer camps program. Past camps have proven to be successful and this summer we are proud to once again exciting ways of encouraging your children to practise the French language.

With four different themes, your children will be encouraged to expand their vocabulary and practise their French in a fun and educational atmosphere. The home-base for the camps will be Marshall D'Avray Hall on the UNB campus, but there will be various excursions to other interesting spots around the city. The themes for *CPF 2008 Summer Camps* are as follows:

Les sciences et la technologie / Science and Technology (week 1 and 2): Campers will have a great time exploring the different sciences this week. We will explore new frontiers in technology and explore the things as old as the stars themselves, and as usual we are sure to get our hands a little dirty with the sciences of everyday life. Campers will enjoy participating in hands-on activities and experiments all while improving their French skills.

Le plein air à l'extrême / The Extreme Outdoors (week 3 and 4): Campers will experience all that outdoor life can be and experience nature to its fullest. We will offer a variety of fast-paced, high-energy activities and games so that campers will be able to show off what they have learned as they partake in our CPF Survivor Day.

Les arts et la culture / Arts and Culture (week 5 and 6): We have so many fun and interesting activities planned for this week that it is hard to know where to begin! Campers will be given the chance to learn about Art in many of its different forms and will create many masterpieces. Campers will also have the opportunity to showcase their creativity in the First Annual CPF Talent Show where family and friends are welcome to attend!

All camps will include plenty of outdoor activity, visits to various facilities on or near campus, and a complete French immersion setting. Thank you for choosing *Canadian Parents for French* Summer Camp Program. We are dedicated to providing campers with a unique experience to practise, improve, and enrich their French. We look forward to meeting you and your children!

À bientôt!
