

On behalf of the Finance Society, it is with great pleasure that I invite you to our 3<sup>rd</sup> annual Stock Market Simulation on Saturday, October 28, 2006. This year promises to be most exciting as we are hosting the simulation at Montpetit Hall, Home of the Ottawa Gee-Gees Varsity Basketball Team. With this new space for the simulation, we're working towards achieving a better competition, with more participants, more volunteers, more prizes, and more fun!

Also, not only will you be competing against fellow undergraduate business students, you will also be trading next to alumni from previous stock market simulations and professionals from the business community. With this new initiative to open this separate competition pool, we hope to create a fun and unique networking opportunity for our student delegates.

Deadline for registration for the simulation is October 18, 2006. More information regarding cost, schedule, and registration can be found in the enclosed pamphlet. Starting in September, you can also find updates regarding the simulation on our website, [www.management.uottawa.ca/financesociety](http://www.management.uottawa.ca/financesociety). You may also contact us through our website or email the stock market simulation team at [ufo\\_sms@yahoo.com](mailto:ufo_sms@yahoo.com).

I look forward to seeing you in October!

## STOCK MARKET SIMULATION

**OCTOBER 28 2006**

**OTTAWA, ONTARIO  
CANADA**

The University of Ottawa Finance Society is hosting its 3<sup>rd</sup> Annual Stock Market Simulation!

Business students and, for the first time, corporate professionals from all over

Canada will have the opportunity to compete against each other in a real-time simulation of the New York Stock Exchange. This year's simulation will take place on October 28th at the

University of Ottawa campus, located in the downtown area of our nation's capital. Expect this year's simulation to be bigger and better than ever before, with a switch to a larger venue (Montpetit Gymnasium; Home of the Ottawa Gee-Gees!), more networking opportunities, an increase in cash prizes and give-aways, and much, much more!
