

UNB Moncton Student Helping Tree

This chart is designed to help direct students to the people and services they need. Begin at the bottom and follow the flow chart upwards to find out which campus unit or department can be of assistance.

Services for Students

Student Support

The Student Support contact in Moncton is Tania McLaughlin. The Student Support role is to connect you with the appropriate student services and contacts at UNB-Fredericton based on your needs. Since the Student Support person not present every day at the Faculty of Nursing Moncton, the best way to contact Tania McLaughlin is by phone or email. She has a commitment of responding within 24hrs and she is always available by appointment.

Phone: 856-3507
Email: tmclaugh@unb.ca

Please note, you can make academic-related long distance phone calls to UNB-Fredericton from the Moncton Campus office. Simply ask the Administrative Assistant at the reception desk.
